WINCHESTER, VA., March 12—
Deeds admitted to record in city and county clerks' offices here since January 1. are so much in excess of those of other years in the same period as to indicate a firmer tone in the real estate market.

Dealers and brokers said the demand for desirable suburban lots is on the increase, and builders and contractors expressed belief that building on a large scale will be resumed this spring and summer. Skilled mechanics, it was said, will be well paid, but wages of laborers are expected to decline.

A young man who practiced medicine in Fennsylvania became famous and was called in consultation in many towns and cittes because of his success in the treatment of disease. This was Dr. Pierce, who finally made up his mind to place some of his medicines before the public, and, moving to Buffalo, N. Y., put up what he called his "Favorite Prescription" and placed it with the druggists in every State.

Dr. Pierce's Favorite Prescription has long been recognized as a tonic for diseases peculiar to womarkind. After suffering pain, feeling nervous, dizzy, weak and dragged-down by weaknesses of her sex—a woman is quickly restored to health by its use. Thousands of women testify that Dr. Pierce's Favorite Prescription has entirely eradicated their distressing aliments.
